J. J. Lawrence—Dear Sir:—I have used your Concentrated Plaid Extract of Koskoo in my practice with the happiest results. I find it to be a powerful Liver Invigorator. Blood Purifier, and Nervous Tonic. In all diseases of the Liver Scrofulous Syphilitic, and Nurvous Affections, it is a remedy of minense value; in fact, in almost every variety of Chronic Diseases its use is Indiated by the Harrison County Court, awrit of ad quod commun, directed to the Sheriff of Harrison county, commanding him to hold an inquest by a Jury of Twelve free-holders, to ascertain the amount of damages, each owner will sustain, by reason of the extension and ozening of Church Streat, in said City, from its person Church Streat of Koskoo Church Streat of Kos

I believe, in all sincerity, that your Koskoo is an inveatime renealy for the disease from which he has suffered, and, so far as I can learn, has never failed. If you only knew the immense amount of suffering that he has undergone, then you could conceive the value of such a remedy as Koskoo—That surkely curses.
